Cleaner and better transport in cities

What is CIVITAS ?

CiViTAS
Cleaner and better transport in cities

What is CiViTAS ?

(City – Vitality – Sustainability)

72% of Europe's citizens live in cities

- 40% of CO₂ from road transport
- 70% of other pollutants from urban traffic
- Millions of hours are spent in urban congestion

CIVITAS: A network of cities for cities to achieve sustainable urban mobility

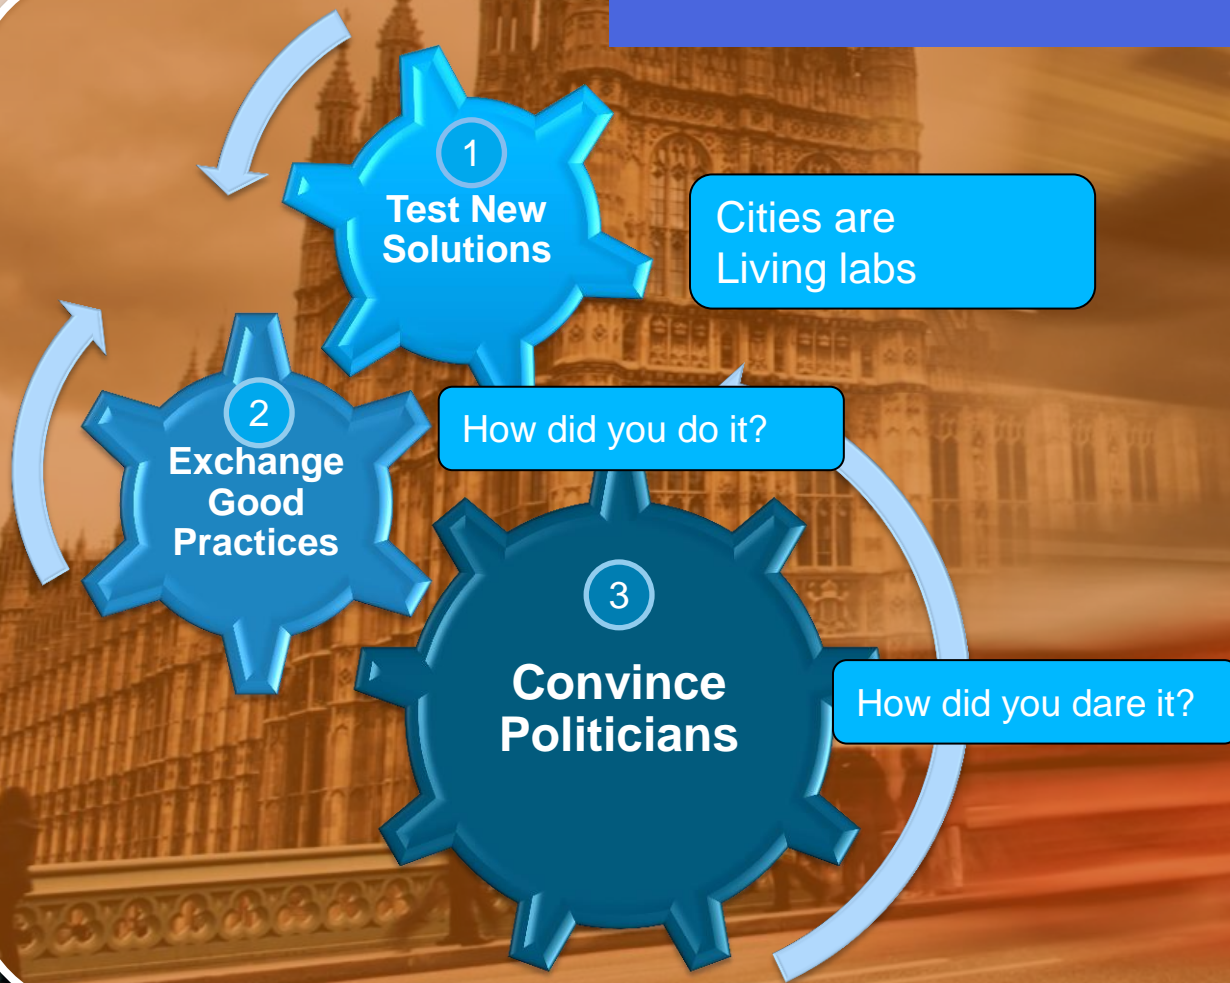

In about 15 years CIVITAS:

- 4 editions, 15 projects
- 70 demonstration cities
- 700 measures tested
 - 200 M€ EC investment
- 240 cities member of the Forum Network

Key domains (pillars) of intervention

CIVITAS in action

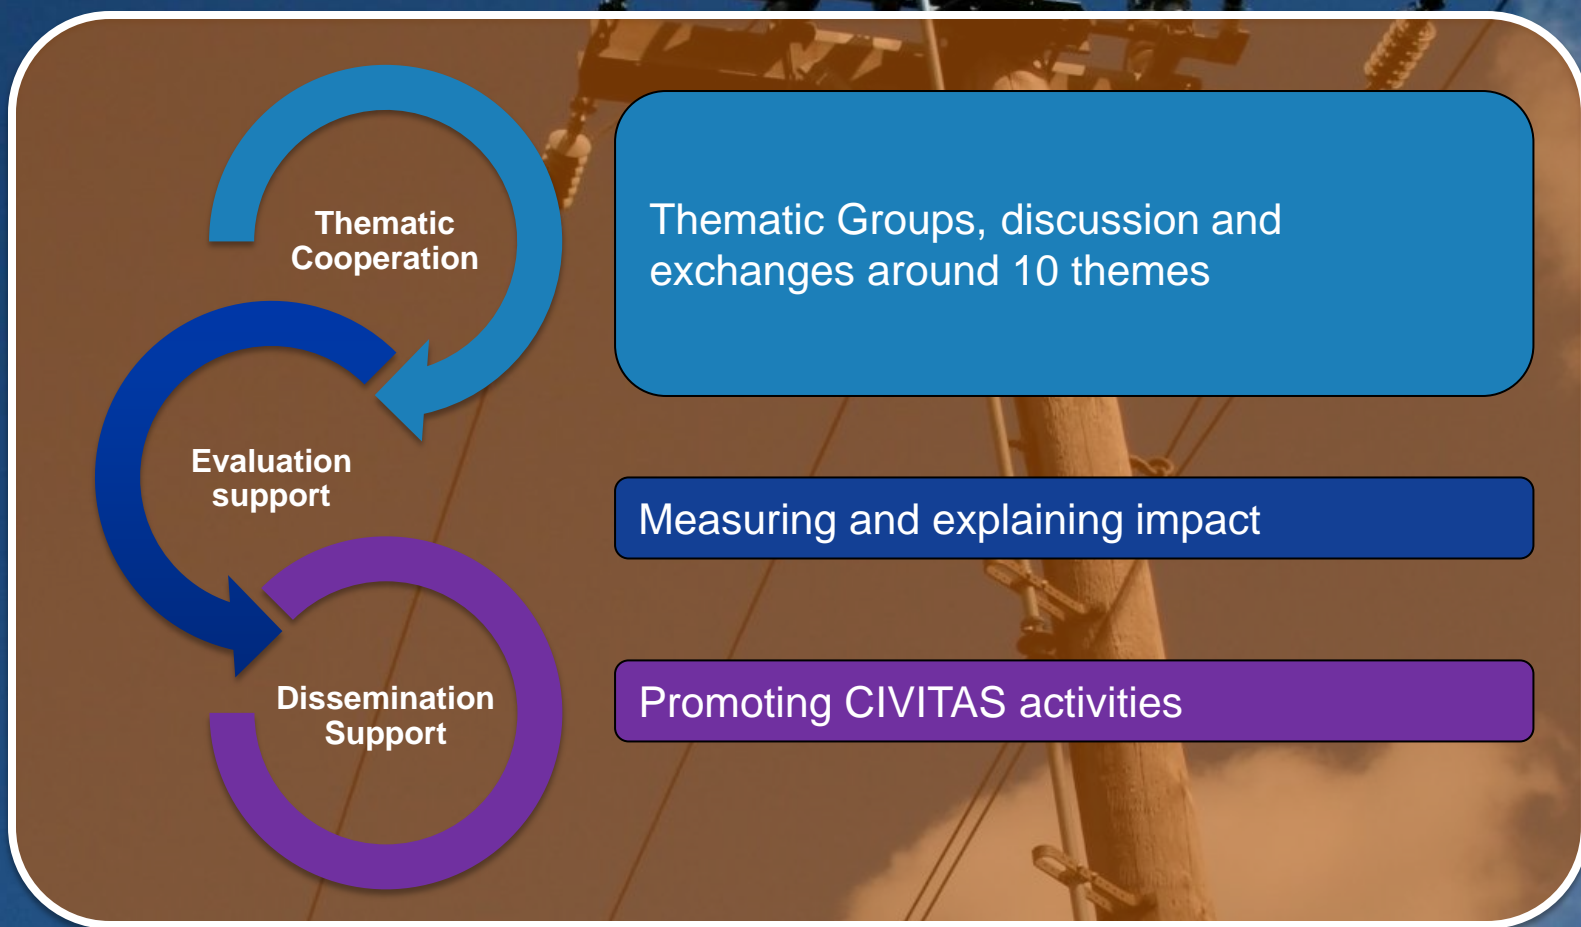

Measures, practices, contacts, materials, know-how

UPCOMING EVENTS

CIVITAS Study Tour and Thematic Workshop – Parma/Reggio Emilia (Italy)

5-6th July 2016:

LINKING TERRITORIES: LONG TO SHORT DISTANCE CO-MODALITY

Practitioners from other CIVITAS cities will see and learn on how the two cities successfully connected their urban areas with rural/sub-urban territories and the wide area as a whole to long distance destinations via the new High Speed railway station Mediopadana.

"SHAPING THE MOBILITY OF TOMORROW"

The three-days programme of the conference will offer collaborative workshops, state-of-the-art presentations and interesting site visits. It is also our pleasure to announce that Vice-President of the EC Energy Union
